STEPHANIE C. KOPELOUSOS
SECRETARY

April 1, 2010

Dear Contractors and Consultants,

Consultant marketing presentations are conducted routinely on the first Monday of each month in District VI. This program offers a forum where District Office and Project Managers can become familiar with qualifications and experience of the many consultant firms seeking business opportunities with the District. Beginning on April 5, 2010, this program is being expanded to include our pre-qualified partners from the construction industry that are interested in pursuing future design-build business opportunities with the Department.

Our new District Consultant/Contractor Marketing Presentation Program is held on the first Monday of each month from 9:00AM –12:00 PM in the District Auditorium at the Adam Leigh Cann facility. The target audience consists of District Office and Project Managers that could serve as Technical Review Committee members for future design-build and consultant contract selections.

A maximum of three (3) presentations can be scheduled within this three (3) hour window. Interested presenters will be booked on a first come, first serve basis. Rose Platt or Ron Fountain in our District Professional Services Unit (PSU) are available to assist with coordinating and confirming presentation reservations and can be reached at (305) 470-5838 or (305) 470- 5457, respectively.

I am sure you would agree that this program provides mutual benefits to all parties. From the Department's perspective, this opportunity augments, and in some cases, initiates an awareness of our business partner's credentials. Thank you in advance for your participation.

Sincerely,
