7.60 Audit Reports

Part I: Federally Funded

Recipients of federal funds (i.e. state, local government, or non-profit organizations as defined in OMB Circular A-133, as revised) are to have audits done annually using the following criteria:

1. In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT "D" to this agreement indicates Federal resources awarded through the Department by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Commission. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1., the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. However, if the recipient elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
4. Federal awards are to be identified using the Catalog of Federal Domestic Assistance (CFDA) title and number, award number and year, and name of the awarding federal agency.

Part II: State Funded

Recipients of state funds (i.e. a nonstate entity as defined by Section 215.97(2)(l), Florida Statutes) are to have audits done annually using the following criteria:

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services and the CFO; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT "D" to this agreement indicates state financial assistance awarded through the Commission by this agreement. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. The Recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2)(d), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the Recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. However, if the recipient elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. State awards are to be identified using the Catalog of State Financial Assistance (CSFA) title and number, award number and year, and name of the state agency awarding it.

Part III: Other Audit Requirements

Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is completed or the dispute is resolved. Access to project records and audit work papers shall be given to the Commission, the Department of Financial Services, and the Auditor General. This section does not limit the authority of the Commission to conduct or arrange for the conduct of additional audits or evaluations of state financial assistance or limit the authority of any other state official.

The acceptance of a remittance by the Grantee shall not constitute a waiver of any claim which the Commission may otherwise have arising out of this Agreement.

The Grantee agrees, that by entering into this Agreement, it explicitly certifies that all of its third party contacts will be executed in compliance with this section.

12.20 Compliance with Consultants' Competitive Negotiation Act: It is understood and agreed by the parties hereto that participation by the Commission in a project with a Grantee, where the project involves a consultant contract for any service, is contingent on the Grantee complying in full with provisions of Section 287.055, Florida Statutes, Consultants Competitive Negotiation Act. The Grantee shall post, in conspicuous places available to employees and applicants for employment for Project work, notices setting forth the provisions of the nondiscrimination clause.

13.20 Title VI - Civil Rights Act of 1964: The Grantee must comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (78 Statute 252), the Regulations of the Federal Department of Transportation, the Regulations of the Federal Department of Justice and the assurance by the Grantee pursuant thereto.

The provisions of this section may be waived by the Grantee for a particular contract if the Grantee determines, and the Commission approves, that such waiver will result in significant time or cost savings for the Grantee and the project.

The Grantee shall insert in all contracts entered into in connection with this Agreement and shall require its contractors to insert in each of their subcontracts, the following provision:

"No member, officer, or employee of the Grantee during his tenure or for one year thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof."

The Florida Department of Transportation has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved. The Grantee shall promptly pay all subcontractors their proportionate share of payments received from the Commission.

If a payment is not available within 40 days after receipt of the invoice and receipt, inspection and

approval of goods and services, a separate interest penalty per day (as defined by Rule) will be due and payable, in addition to the invoice amount to the Grantee. The interest penalty provision applies after a 35 day time period to health care providers, as defined by rule. Interest penalties of less than one (1) dollar will not be enforced unless the Grantee requests payment. Invoices which have to be returned to a Grantee because of vendor preparation errors will result in a delay in the payment. If the contractor receives less than full payment, then the contractor shall be required to disburse only the funds received on a pro rata basis with the contractor, subcontractors, and suppliers, each receiving a prorated portion based on the amount due on the payment. If the contractor without reasonable cause fails to make payments required by this section to subcontractors and suppliers within 7 working days after the receipt by the contractor of full or partial payment, the contractor shall pay to the subcontractors and suppliers a penalty in the amount of one-half of 1 percent of the amount due, per day, from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed 15 percent of the outstanding balance due. In addition to other fines or penalties, a person found not in compliance with any provision of this subsection may be ordered by the court to make restitution for attorney's fees and all related costs to the aggrieved party or the Department of Legal Affairs when it provides legal assistance pursuant to this section.
