

# ROADMAP TO FLORIDA'S FUTURE

## Statewide Strategic Plan for Economic Development

**The Roadmap to Florida's Future** is the official five-year statewide strategic plan for economic development. Created through broad grassroots outreach and expert input, the Roadmap identifies key priorities and specific action recommendations to diversify Florida's economy for global competitiveness.

### VISION

Florida is a global leader in knowledge-based jobs, leading-edge technology, and competitive enterprises in the 21st century.

### GOALS

Globally competitive businesses  
Well-paying jobs for Floridians  
High quality of life throughout Florida

### REGIONAL FORUMS
