BROWARD COUNTY

Florida's Turnpike Enterprise

<b>PROJECT NAME</b>	Turnpike/I-595 Interchange Improvements
<b>FP ID No.</b>	419336-1, 419337-1 and 419338-1
<b>COUNTY</b>	Broward
<b>CONSTRUCTION YEAR</b>	FY 2015
<b>TOTAL COST</b>	\$139 million

## PROJECT DESCRIPTION

The Turnpike/I-595 Interchange is part of the overall I-595 corridor improvements. The project begins at Griffin Road and continues north to Peters Road. Project 419336-1 consists of the replacement of the I-595 Ramp to Griffin Road. Project 419337-1 is the replacement of the Turnpike southbound exit ramp (flyover) to I-595 and 419338-1 is the addition of Turnpike northbound auxiliary lanes from Griffin Road to I-595. The entire interchange will be replaced and provisions in the alignment will be made to incorporate the future I-595 express lane direct connect ramps to the Turnpike median.
