

# WIDEN TURNPIKE MAINLINE SUNRISE BOULEVARD TO ATLANTIC BOULEVARD BROWARD COUNTY

Florida's Turnpike Enterprise

<b>PROJECT NAME</b>	Turnpike Mainline Widening from Sunrise Boulevard to Atlantic Boulevard (Northbound and Southbound)
<b>FP ID No.</b>	406097-1 & 406097-4
<b>COUNTY</b>	Broward
<b>CONSTRUCTION YEAR</b>	FY 2005 and FY 2008
<b>TOTAL COST</b>	\$182 million

## PROJECT DESCRIPTION

This is one of five mainline widening projects in Broward County. The project begins just to the north of Sunrise Boulevard and ends just south of Atlantic Boulevard. No improvements are planned for the Commercial Boulevard interchange as part of the widening. The typical section for the mainline widening will be eight lanes. The southbound lanes are being widening under 406097-1 in addition to grading and drainage along the easterly right-of-way line to allow for utilities to relocate their facilities away from the northbound mainline. Upon completion of the utilities construction, the northbound mainline will be widened under 406097-4.
