

# WIDEN TURNPIKE MAINLINE LAKE WORTH ROAD TO OKEECHOBEE BOULEVARD

PALM BEACH COUNTY

*Florida's Turnpike Enterprise*

<b>PROJECT NAME</b>	Turnpike Mainline Widening from Lake Worth Road to Okeechobee Boulevard
<b>FP ID No.</b>	406143-1
<b>COUNTY</b>	Palm Beach
<b>CONSTRUCTION YEAR</b>	FY 2017
<b>TOTAL COST</b>	\$149 million

## PROJECT DESCRIPTION

This project consists of the Turnpike Mainline widening from four to eight lanes from north of Lake Worth Road to Okeechobee Boulevard. There are two interchanges within the project, at Southern Boulevard and Okeechobee Boulevard. Modifications to these interchanges are included in the widening. The project also includes modifications to the Lake Worth Road interchange, for movements in the southbound direction. The total project length is 6.7 miles.
